

RECIPROCAL GOLF CLUBS

The 1895 Club offers Flempton Golf Club members the opportunity to play a courtesy round of golf at other courses established in the same year. Members make their own arrangements (in advance) with the Secretary of the Club they wish to visit taking with them a letter of introduction and a handicap certificate. Some Clubs have put restrictions on the number of visitors at any one time while others still hold to the original 75 mile separation between clubs.
