

Flempton Golf Club

A heathland course in the heart of Suffolk

Associate Membership

Associate Membership is available for groups of 8 – 12 players who are formerly associated. For example, applicants may belong to an Association, Corporation, club or school. Partners of Associate members can be included as named associates.

An Associate member may purchase 8 - 12 "Bag Tags" for £450 each.

Each Bag Tag will enable an Associate member to play twice a week, Monday to Friday after 11am and on occasional weekends by prior arrangement with the Club Manager.

A Bag Tag must be presented to the Steward or representative, for each player wishing to play, prior to play. Booking a tee time with the Club Manager is recommended.

Guest at guest rates one guest at a time. An individual guest can only visit 6 times a year.

Bag Tags lost or stolen will not be automatically replaced, but a replacement may be purchased for £100. This is to prevent abuse of the system, by anyone finding or stealing a tag.

Applicants cannot be current members. This category cannot vote or stand for any Council, Committee or Subcommittee.

If you require exclusive use of the Course for an Associate Day, this will incur an extra fee. The cost of the day will be by negotiation, food and refreshments will be billed separately.

If you would be interested in this new arrangement, please contact the club Manager clubmanager@flemptongolfclub.co.uk
