

## Flempton Golf Club - Membership Application Process

In short: Enquire / Apply – Tour / Game/ Lessons – Process - Pay - (Process) - Complete

1. The Online Application button gives an enquiry for application. This should be completed.

If preferred a Membership Application form can be found on the club website or in the clubhouse. Complete and returned as directed on the form.

2. On receipt the applicant should expect a phone call or email from the club to arrange a tour or game.
3. After the meeting and/or round, all applicants have a period of courtesy while their application is proceeding.

Any member wishing to comment on the application or gain additional information on the applicant (data release will be in accordance with the Club's GDPR policy) can do so via the Club Captain/Membership Director. Unsupported will be approved for a probationary period.

4. All applicants will be sent an invoice and must then pay their joining fee plus the membership fee (pro rate to Jan 1st), & union fees at the start of their membership (probationary or otherwise).

Should the application for membership be rejected at any point during this probationary period, any fees paid will be refunded but not union fees, or incurred costs.

*During a pandemic or other unusual event, the above may be adapted to suit the circumstances.*
