

COURSE SAFETY

We politely request that all members, their guests & visitors note the below points when playing the course:

1st Hole

- When playing from the back tees (Green & Silver) as your 1st or 10th hole, please ensure you stand to the right of the tee (clubhouse side) whilst waiting to play. If you stand to the left of the tee you can adversely affect those playing the 9th hole.
- Please be aware of any group playing the 9th, when teeing from the 1st/10th hole.*

2nd Hole

- The pond in front of the Gold tee & behind the Blue tee is very deep. Please **do not** attempt to recover golf balls.

3rd Hole

- From the 3rd tee be mindful of any drive struck to the right, as the 4th green sits behind the pine trees on the right.

4th & 5th Holes

- When playing your approach shot to the 4th green please be aware of golfers playing from the 5th tee, that is positioned to the rear of the 4th green.

6th Hole

- Along the right hand side of the 6th hole is the Mildenhall Road. Please report to clubhouse staff any stray shots that leave the course boundary.

7th Hole

- Please be aware of vehicles entering and exiting the course.
- Please ensure you wait for the green to be clear prior to attempting to drive the hole.
- Please report to clubhouse staff any stray drives that are struck out of bounds into the car park.

8th Hole

- Please report to the clubhouse staff any approach shot that is struck over the left-hand boundary of the course into the gardens of houses on The Links.

9th Hole

- Please do not play to the 9th green unless you are sure the driveway is clear.
- Please be aware of the 4th tee to the left and the 1st tee to the right of the 9th green and the clubhouse lawn/terrace.

COURSE ETIQUETTE

3 Tee Start

- If the flow of play allows, players can start their rounds from the 1st, 4th, or 7th tees. However please ensure you respect the speed of play and ensure groups already on the course are not delayed.
- If playing before 08:30am please tee off from the first tee only.

*1st & 9th Tee

- It is customary once you have

finished putting on the 9th green, to wave the following group to play up to the green, prior to teeing off the 1st tee as your 10th hole.

- When playing from the 1st tee if the group playing the 9th hole are over the road you should wait for them to play through. However if they have not reached the road, you are free to commence play.
